

Request for Qualifications

Healthcare and Employee Benefits Broker Services
RFQ Number HE/BBS-6319

PRELIMINARY AWARD NOTICE: THREE FINALIST SELECTED FOR INTERVIEWS

CareerSource Central Florida (CSCF) received nine (9) responses to its Request for Qualifications (RFQ) for Healthcare and Employee Benefits Broker Services. The RFQ was purposefully broad in its requests and requirements, so as to allow for the highest level of competitiveness. Per the request, the respondents who were rated as the top three by the review committee were asked to prepare a presentation as the final step in the process. These three are, in no particular order: Alltrust; Brown & Brown-Maitland; and Digital Benefits. As indicated by the rating sheet, the committee especially considered each respondents' company structure, core values, strategies, and value-added services in light of CSCF's unique needs and history. The announcement of the broker selected for contract award will be made on or before close of business on March 7, 2016.
