## **CSCF OPENS NEW SOUTHEAST CAREER SERVICES CENTER**

**Orlando, FL** – CareerSource Central Florida welcomed the arrival of 2017 with the opening of its new Southeast Orange County Career Services Center (CSC), which opened its doors to the public on Tuesday, January 3<sup>rd</sup>. The agency will realize a total savings of nearly \$1M over 5 years by consolidating the (now closed) East and South Orange County CSCs into one facility.

Midway between the Florida Mall to the south and UCF to the east, the Southeast CSC combines staff and resources into one larger, more strategically-located CSC closer to the Orlando International Airport. Located at 5784 South Semoran Boulevard (Hwy. 436) in the Airport Business Center complex just south of Hoffner Avenue, the Southeast CSC is a full-service facility that will serve business and career-seeking customers alike.

“The opening of this Southeast CSC represents a big piece of a long-term strategy, one that allows us to focus more on serving the needs of the businesses that create the jobs in our community,” said CareerSource Central Florida COO Mimi Coenen. “It also makes possible our desire to explore more opportunities with community partners to increase our presence throughout the region, which would bring more widespread access to career seekers in accessing workforce programs and services.”
