

Employ Florida Mobile App Frequently Asked Questions

Q: What is the Employ Florida Mobile app?

A: The Employ Florida Mobile app provides job seekers who have an iPhone or Android phone access to every job posted on EmployFlorida.com – one of the nation’s largest state job banks. It is a powerful tool that helps job seekers find and apply for job vacancies while on the go.

Q: Where is the Employ Florida Mobile app available?

A: The Employ Florida Mobile app is available free in both the Apple App Store and the Google Play Store.

Q: For whom is the Employ Florida app designed?

A: The app was designed for Florida job seekers. The app enables job seekers to map, categorize and sort job listings by geographic location and quickly locate the latest jobs in their immediate area with the “Jobs Nearby” function. Job seekers can even apply for a job through the app.

Q: From where does the Employ Florida Mobile app pull job listings?

A: The Employ Florida Mobile app features job listings posted directly on EmployFlorida.com by Florida employers. Additionally, job listings are gathered from nearly 20,000 websites, including Monster, Indeed and CareerBuilder. The app also includes jobs from:

- National and local job boards
- Federal, state and local government job boards
- National recruiters and all major employers
- Military branches
- Major hospitals and nonprofits
- Newspapers
- Green job boards
- Volunteer sites
- Chambers of commerce

Q: How does the app work?

A: Touch the menu option in the upper left corner of the app. Select “Help” for a step-by-step guide to using the app.

Q: Can search results be narrowed down within the app?

A: The Employ Florida app allows job seekers to search for jobs by geographic location, industry and keyword.

Q: What if I have a technical problem with the app?

A: Please contact mobilesupport@geosolinc.com
