CareerSource Central Florida

Orlando, Florida 32801

Dear Pam:

This letter is to confirm our understanding of the terms of our engagement and nature and limitations of the services we are to provide for CareerSource Central Florida (CareerSource).

We will apply the procedures described in the scope of work attached to this letter to the fiscal and programmatic records of CareerSource for the program year ending June 30, 2025. By signing this engagement letter, you agree to those procedures and acknowledge that the procedures to be performed are appropriate for the intended purpose of the engagement, which is to conduct fiscal and programmatic monitoring for the program year ending June 30, 2025. We understand the engagement is required in accordance with Federal regulations. Our engagement to apply agreed-upon procedures will be conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants (AIPCA). Those standards require that we obtain your written agreement to the procedures to be applied and your acknowledgment that those procedures are appropriate for the intended purpose of the engagement, as described in this letter. A refusal to provide such agreement and acknowledgment will result in our withdrawal from the engagement. No other parties will be requested to agree to the procedures and acknowledge that the procedures performed are appropriate for their purposes. We make no representation that the procedures we will perform are appropriate for the intended purpose of the engagement or for any other purpose.

Because the agreed-upon procedures in the attached scope of work do not constitute an examination or review, we will not express an opinion or conclusion on the fiscal and programmatic records of CareerSource for the program year ending June 30, 2025. In addition, we have no obligation to perform any procedures beyond those to which you agree.

We will issue a written report upon completion of our engagement that lists the procedures performed and our findings. Our report will be addressed to CareerSource. If we encounter restrictions in performing our procedures, we will discuss the matter with you. If we determine the restrictions are appropriate, we will disclose the restrictions in our report. Our report will contain a paragraph indicating that had we performed additional procedures, other matters might have come to our attention that would have been reported to you. Our report is not expected to be restricted to the use of specified parties.

There may exist circumstances that, in our professional judgment, will require we withdraw from the engagement. Such circumstances include the following:

- You refuse to provide written agreement to the procedures and acknowledge that they are appropriate for the intended purpose of the engagement.
- You fail to provide requested written representations, or we conclude that there is sufficient doubt about the competence, integrity, ethical values, or diligence of those providing the written representations, or we conclude that the written representations provided are otherwise not reliable.
- We determine that the description of the procedures performed or the corresponding findings are misleading in the circumstances of the engagement.
- We determine that restrictions on the performance of procedures are not appropriate.

An agreed-upon procedures engagement is not designed to detect instances of fraud or noncompliance with laws or regulations; however, should any such matters come to our attention, we will communicate them in accordance with professional standards and applicable law. In addition, if, in connection with this engagement, matters come to our attention that contradict the fiscal and programmatic records, we will communicate such matters to you.

You are responsible for the presentation of the fiscal and programmatic records of CareerSource in accordance with Local, State and Federal requirements. In addition, you are responsible for providing us with (1) access to all information of which you or the appropriate party are aware that is relevant to the performance of the agreed-upon procedures on the subject matter, (2) additional information that we may request from the appropriate party for the purpose of performing the agreed-upon procedures, and (3) unrestricted access to persons within the entity from whom we determine it necessary to obtain evidence relating to performing those procedures.

At the conclusion of our engagement, we will require certain written representations in the form of a representation letter from management that, among other things, will confirm management’s responsibility for the presentation of the fiscal and programmatic records of CareerSource, in accordance with the Local, State and Federal requirements.

Terry Miller is the engagement partner and is responsible for supervising the engagement and signing the report or authorizing another individual to sign it.
